

NORTHMEAD
DENTAL

To all my friends and patients,

I would like to take this opportunity to thank you for your continued trust and confidence in Northmead Dental as it transitioned from Siobhan and my leadership to Andrea and John's over the last 15 months.

As many of you know, Siobhan and I are leaving in March for a much needed extended holiday travelling through Europe. At the conclusion of this trip, I have decided to retire from Dentistry. I am confident leaving you in the hands of Dr Andrea Lakatos and Dr John Twomey who I know will provide the high quality care you have come to expect.

John has been a part of the team for the last ten years. His kind nature and attention to detail, make him an excellent leader for our community minded practice.

Andrea has brought a wealth of experience to the team. Her caring nature and gentle touch makes the experience of our patients much more pleasant and comfortable.

To ensure that my patients continue to receive the best care, I will pass all patient records to the Northmead Dental team. I am confident that the new team will continue to provide the best dental care.

Many of you were more than patients, but friends who I looked forward to seeing and again I want to thank you all and wish both you and Northmead Dental all the best.

Sincerely,

Dr Gregory Lord
